

REMARKS

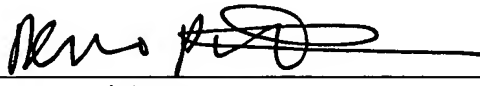

We have forwarded a new Declaration to the inventor, Lydie Bougueleret, who currently resides in Switzerland, and will file it with the U.S. Patent Office upon our receipt of the executed Declaration.

Please note, that upon noticing a stamp on our return receipt postcard stating that the Specification was missing from our original filing on February 7, 2002, we contacted the OIPE and were advised by Ms. Stokes to send a copy of the Specification as soon as possible. We have enclosed a copy of our transmittal letter and the return receipt postcard showing that the PTO received the copy of the Specification on March 19, 2002.

Please charge any additional fees, or credit overpayment to Deposit Account No. 50-1181.

Respectfully submitted,

GENSET CORPORATION
